PREFACE: PERSONNEL

We are pleased to be able to make this directory available to you again this year. To facilitate use, there is an alphabetical Index of Personnel and the pages on which they may be found (pages x - xviii). An alphabetical Town Index with the school divisions in which they are located is on pages v - ix.

This directory is only as complete as you, the school media personnel, make it. If there are any changes in personnel during the year, we would appreciate hearing from you as soon as possible so that we may make the appropriate changes in our records.

HOW TO USE THE DIRECTORY

1. The directory is arranged in numerical order by school divisions. We have attempted to indicate the Superintendent and any divisional media personnel for each division.
